Acting Rector
Szkoła Główna Mikołaja Kopernika

19.03.2025.

Dear Members of the Academic Community,

With great responsibility and pride, I assume the position of Acting Rector of Szkoła Główna Mikołaja Kopernika, based on the legally enacted decision signed by the Chairman of the Presidium of the Copernicus Academy, Prof. Dr. Hab. Krzysztof Górski (decision from March 17, 2025, in attachment).

SGMK is a young institution that fosters excellence in education and research, and our shared mission is to ensure that we continue to grow and develop even more strongly in response to the challenges and opportunities of the modern world.

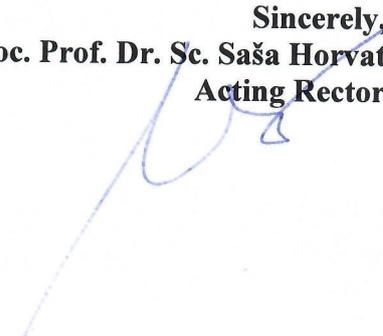

As a former Dean of the Collegium of Philosophy and Theology in Kraków, I am well acquainted with the institution's work, its plans, and the aspirations that have driven this great project forward. I recognize the dedication and vision that have shaped SGMK, and I am committed to furthering its mission with the same spirit of ambition and academic excellence.

I firmly believe that the key to success lies in openness to dialogue and collaboration. Therefore, I am committed to creating an environment where all members of our academic community—students, professors, researchers, and staff—can freely express their ideas, engage in discussions on key issues, and actively participate in shaping the future of our institution. Academic excellence and innovation can only be achieved through collective effort and mutual understanding.

In the years ahead, we will dedicate ourselves to improving teaching methods, strengthening research capacities, and fostering an inclusive and supportive environment for all. We will place particular emphasis on opening spaces for constructive discussions and shared decision-making that reflect the values and needs of our community.

I invite you to join me in building an academic environment where knowledge is shared, diverse perspectives are respected, and everyone feels encouraged to contribute. I invite you to continue with the planned activities until further directions and guidelines are provided.

Sincerely,
Assoc. Prof. Dr. Sc. Saša Horvat
Acting Rector
